

## Industry Monthly Meetings/Fams Co-Sponsorship

**Description:** ACVA would like to partner with hotels and attractions for sponsorship of monthly meetings for industry associations to include AMPS, SGMP, PCMA, PMPI and ASAE (or any other appropriate organizations). In conjunction with these events, we hope to schedule a “mini fam” prior to the event to familiarize planners with Alexandria.

**Details:** Please let us know if you are hosting any of the above meetings and the date and how we can work with you on this.
